** Depending on class sizes each class may be split into Youth and Adult sub classes. **

All Jumper classes are judged on time and faults. No jump offs.

Gamblers Choice riders will be given 45 seconds to jump any jumps they wish accumulate points, however they can only jump each jump twice. Jumps will be set at varied heights within the designated range. Jumps will be assigned point values and posted day of. Rails down on a jump means no point accumulated for that jump.
